

## Noble Environmental Power Energy Mini-Grant Application 2008

Noble Environmental Power has generously created an assistance fund for teachers from selected school districts to receive additional materials from KidWind to assist teachers as they introduce their students to wind energy topics in the classroom.

Teachers from the following locations are eligible for \$200 grants to purchase materials from Kidwind. Products and materials can be viewed at <http://www.kidwind.org>

**Wyoming & Chautauqua** - *Letchworth, Pioneer, Forestville and Pine Valley Schools*

**Allegany** - *Cuba-Rushford and Fillmore Schools*

**Clinton** - *Northern Adirondack Central School*

**Franklin** - *Chateaugay Central Schools*

**Applications Due by 12/15/08**

What do you plan to do with your students related to wind energy?

What items would you like to request for your mini-grant? Please be as specific as possible or browse the KidWind Shop at <http://www.kidwind.org> to choose your items. If you are interested in wind energy items that are not sold by Kidwind - inquire and we will can track them down and get them for you. **Remember to take 15% website pricing!**

Item Description (SKU #)	# of Items	Price	Total
<b>Subtotal</b>			
<b>Shipping</b>			<b>\$15.00</b>
<b>Total</b>			

Please keep in mind that the mini-grants are for a **maximum** of \$200. If the total amount of materials (including shipping) exceeds \$200 then you would need to provide this additional funding or KidWind will contact you for clarification.
